## REVIEW REPORT TO THE BOARD OF DIRECTORS OF INVESTORS BANK B.S.C. (c)

### *Introduction*

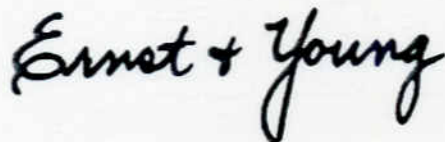

We have reviewed the accompanying interim condensed financial statements of Investors Bank B.S.C. (c) ["the Bank"] as of 30 September 2012, comprising the interim statement of financial position as at 30 September 2012 and the related interim statements of income, cash flows and changes in owners' equity for the nine month period then ended and explanatory notes. The Bank's Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with the accounting policies disclosed in note 2. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

### *Scope of review*

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with the accounting policies disclosed in note 2.

## 7 LITIGATION AND CLAIMS

In 2004, the Bank entered into a sale and purchase agreement with a financial institution to purchase shares of a related party on behalf of another related party. The net amount due to the financial institution was US\$ 3,670,202 as at 30 September 2012 (31 December 2011: US\$ 3,670,202). In accordance with the terms of the agreement, the Bank pledged certain equity shares with a carrying value of US\$ 2,037,542 as at 30 September 2012 (31 December 2011: US\$ 1,921,772) in addition to dividends received on these shares amounting to US\$ 887,733 as at 30 September 2012 (31 December 2011: US\$ 887,733). Subsequently, the agreement was terminated by the financial institution due to disputes with the Bank and as a result, the pledged investments have been retained by the financial institution. In the opinion of the Bank's lawyers and management, the agreement was wrongfully terminated and following the financial institution's refusal to settle the matter amicably, the Bank has filed a legal case in the courts of Bahrain against the financial institution for possession of the Bank's investments.

As a result, the court has taken custody of the shares under dispute and the related dividends. The related party on whose behalf the transactions was entered has provided a manager's cheque for an equal amount which has been deposited with the court amounting to US\$ 3,680,203 as at 30 September 2012 (31 December 2011: US\$ 3,680,203).

The related party on whose behalf the transaction was entered into has also agreed to reimburse the Bank for legal expenses and any losses arising on final settlement with the financial institution. Accordingly, in the opinion of the directors, no provision is required to be made in the financial statements against the investments pledged with the financial institution or for contingent claims that might arise on final settlement.

	(Unaudited) 30 September 2012 US\$	(Audited) 31 December 2011 US\$
Lease commitment (note 8.1)	4,303,499	3,423,237
	<u>4,303,499</u>	<u>3,423,237</u>

- 8.1 During 2006, the Bank entered into a lease agreement for the lease of a land on behalf of a related party of the Bank for term of 29 years, with a grace period of 2.5 years. The Bank also entered into a back to back agreement with the related party in which it has been agreed that the related party will make such lease payments to the Bank who in turn will settle the lease payments to the lessor. The related party had defaulted on its lease payments due to the delay in the execution of the planned project on the leased land. As at the reporting date, the lease commitment amounted to the lease payments outstanding as at that date. Based on an independent lawyers opinion, the Bank could include the related party as a defendant, if the lessor files a case against the Bank in case of default, where the related party would be liable to any settlement in accordance with the court ruling.
